## APPLICATION PROCESS

Thank you for your interest in being a commercial vendor at the Greater Gulf State Fair! The deadline for applications is September 26, 2025. Applications from previous years do not roll over. Once we receive an application, we will let you know when it is received and ask that you are patient. Our Fair staff reviews applications daily.

Listed below are certain requirements and information concerning the application for the operation of a Commercial Vendor during the annual Greater Gulf State Fair ("GGSF"). These requirements are not all-inclusive and the information is subject to change without the notice by GGSF.

If selected as a Commercial Vendor, you will be required to follow the Greater Gulf State Fair Vendor Manual for booth operations. These include but are not limited to, standards of operations, approved commercial products, booth appearance, operating hours, etc. Greater Gulf State Fair Vendor Manual, with detailed information, will be provided to applicants who are selected for commercial vendors.

An application must be submitted every year, along with your proposed products and pricing, to be considered. Applications will be accepted until all spaces are filled.

Some of the criteria we use when considering an application:

- Uniqueness of the product
- Balance of similar product/services
- Overall booth appearance
- Availability of space
- Prior experience as a Exhibitor
- Adherence to standards of operations and the GGSF Vendor Manual

Booth dimensions, set-up/layout, and signage must be detailed in the application as well. No pop-up tents are allowed. Include any information GGSF will need to have when reviewing your application. If you are a previous vendor, do not assume that Fair Management will know the details of your needs and set-up. Please fill out the application and include ALL information as if you are a first-time applicant.
