IMPORTANT GUIDELINES

1. Fine Art is defined as paintings, sculpture, graphics, and ceramics that demonstrate a high level of creativity, artistic technique, and craftsmanship.
2. Read Competition Guidelines. Changes are made each year. Review the Fine Arts Rules/Guidelines below at the end of this guide. Non-compliance will disqualify your entry.
3. Exhibitors are solely responsible for reading the competition guidelines and rules, and entering their items in the correct Departments/Lots. Incorrect entries may result in disqualification and may not be exhibited. If you need assistance determining the Department and/or Lot, please see the "Need Help Section" on page 3 of this guidebook for guidance on ways to find assistance.
4. Entries must be made personally by the exhibitor. Original work only. No kits, direct copies of original artworks, classroom assignments (excluding School/Instructional Division) or group work will be accepted.
5. Artwork must be original and completed within the last two years.

6. Artwork exhibited at any prior GGSF is not eligible for entry and will not be accepted.
7. Due to the family-oriented theme of the GGSF, no exhibit dealing with drug use, obscenity, defamatory statements, violence or gang activity, satanic or cult theme, or other offensive or objectionable content will be accepted. This at the discretion of the Exhibits Chairman and Fair management.
8. Final acceptance of the entry for judging and exhibition will be left to the discretion of the Exhibit Chairman. All decisions of the Exhibit Chairman are final.

HOW IS MY ENTRY JUDGED?

Professional & Amateur Department Judging

Exhibits are placed using the American Judging System where exhibits are ranked one against another. Awards will be made if, in the opinion of the jury, the items entered have sufficient merit. 1st, 2nd, 3rd Place and Honorable Mention may be awarded in each class if judges so determine. 1st Place winners will compete for Division Winner. Division Winners will compete for Best of Show.

Awards

The judges will select award winners from accepted entries that were confirmed after delivery.

Judges

The judges are chosen by Fair Management. All judging is final.

Judging Results

Results can be viewed in-person at the GGSF Exhibition Gallery during public hours of the Fair.

Reassignment of Entry Department/Lot

Judges and/or Fair Management have the option of reassigning an entry to a more appropriate department or lot. However, it is the responsibility of the exhibitor to enter their work in the appropriate class. Failure to do so may result in disqualification. Classes or Departments may be combined to create an adequate judging pool.

Disqualified Entries

If an entry is disqualified after judging is complete, the judge will not change the status of awards given for other entries.

HOW TO PREPARE FOR EXHIBITION

Delivery Dates

Friday, October 21, 2022 from 10am - 4pm

Presentation & Display of Artwork

- LABELING: Exhibits must be securely labeled on the back of each entry. Please clearly write your name, address and phone number. Include the Department and Lot Number. Labels will be available at drop off.
- Framing Required: All 2-D entries must be framed with the exception of gallery-wrapped canvases. All wall-hung work must be wired for hanging.
- Framing Choice: Framing choice is one criteria considered by judges in the award judging process. Black frames with white mats are HIGHLY RECOMMENDED for graphic works. Simple framing is required for this competition.
- Size Limits for Fine Arts Entries: Minimum size: 8 inches x 10 inches / Maximum size: 48 inches x 60 inches (Not equal area in square inches, not equal in length plus width.) Size is image plus mat. Due to space limitations, size limits are strictly enforced. If your image is square, it must be between 10 inches square up to 60 inches square. If one side of your image is larger than 60 inches and/or the other is larger than 48 inches your entry will be disqualified. If one side is smaller than 10 inches and/or the other side is smaller than 8 inches or any side is less than 10 inches for square images, your entry will be disqualified.
- Weight Limit: 40 pounds is the limit for all wall-hung artwork. 250 pounds is the limit for sculptural work (Pedestals must be provided by the artist and will be subject to committee approval).
- Hardware for Hanging: All hanging works must have a taut, HEAVY picture wire attached securely with screw eyes or other permanent hardware for hanging. Saw tooth hangers or spring clip frames are not acceptable.

- Frames Containing Glass: Framing with plastic or Plexiglas is preferred. Artists framing their entry with glass assume responsibility for damage to their own artwork and the artwork of others should the glass break. GGSF staff uses extreme care in handling artwork but assumes no responsibility for damage.
- Any entry not meeting framing requirements will not be accepted for judging and exhibition.
