

CHEF 4H: BURGER BUILDING AT THE 2021 GREATER GULF STATE FAIR

Wednesday, November 3, 2021

Chef 4H: Burger Building contest is an opportunity for youth to have a lot of fun exhibiting their burger preparing skills.

1. Each team will be comprised of two members. Participants must be ages 9 - 18.
2. Each team will be given one pound of ground beef to use for the competition. All other materials including buns, condiments, dressings, plates, utensils, meat thermometer, etc. will be the responsibility of each team.
3. Each team will be given a work area that will include a table and food handler gloves. Table covering and decorations should be brought by the team.
4. Team will bring their own grill. Electric, charcoal, or gas grills will be allowed.
5. Each team will present two (2) identical burgers to the panel of judges.
6. Contest officials will test each burger when it leaves the grill to ensure an internal temperature of at least 160 degrees.
7. This is a timed event. Teams will have 45 minutes from the time they receive their beef to submit their entries to the judges.
8. Teams will be assigned staggered start times in an effort to give each team an opportunity to present a "hot off the grill" burger. Teams will be notified of their start time by Monday, October 25th.

Teams will be judged on the following:

Adherence to Food Safety Standards	20 pts
Teamwork	15 pts
Time Management	15 pts
Creativity	20 pts
Taste	30 pts

Premiums:

1st Place Team	\$100
2nd Place Team	\$80
3rd Place Team	\$60
Grade A Creativity	\$40
Safety First	\$20

*Each team must return their completed entry form, risk management form, and \$15 entry fee by Thursday, October 28, 2021, to the Mobile County ACES Office. 1070 Schillinger Rd N, Mobile, AL 36608. Questions: Adeline Quintana, 4H Foundation Regional Extension Agent. Amf0024@auburn.edu or 251-574-8445.

RISK MANAGEMENT FORM

In using open flames, chemicals, power tools, sharp objects (knives, scissors, etc.), you MUST complete a Risk Management Plan one week prior to the contest. You may use this form for that purpose.

1. How are you planning to transport and store the item(s) before and after your demonstration?

2. How will you use the item(s) in the demonstration?

3. How will you ensure that the demonstration is safe for you and the audience?
