

GGSF Clucky Creations- Chicken Craft

Introduction:

Welcome to our delightful craft activity designed especially for the 2nd Grade! Get ready to showcase your creativity and imagination as we craft charming paper plate chickens together. These feathered friends will be the talk of the fair, so let's dive in and bring them to life!

Materials that you will need:

- (2) Paper Plates
- Red Construction Paper
- Yellow Construction Paper
- Googly Eyes
- Glue
- Scissors

GGSF Clucky Creations- Directions

Step One:

Fold one of the paper plates in half.

Step Two:

Draw and cut out the shape for the comb and gobble using the red construction paper.

Step Three:

Draw and cut out the shape for the beak and legs using the yellow construction paper.

Step Four:

Draw and cut out a triangle shape with a ribbed edge using one of the paper plates for the tail.

Step Five:

Glue the googly eye, beak, comb, gooble, legs, and tail to the half-folded paper plate.

Step Six:

Attach a name tag to the chicken listing- the child's name and teacher's name.

Step Seven:

Now, your chicken is ready to come to the fair!
