## **Judging, Scoring, and Pageant Process**

Our judges will be from a variety of backgrounds. They will be scoring on natural beauty, overall appearance, modeling, and personality. **Reminder, please review the rules on attire, hair, and make-up.** A blank copy of the judges' score sheet will be available in this packet. Remember, the judges' decision is final.

The contestants will be competing in a beauty walk and will have one (1) on-stage question. For the beauty walk, the stage will be marked with four "x"s to show the girls where to stop and model. Once a contestant has finished her walk, the emcee will ask the on-stage question. The contestant must state her answer into the microphone provided. She will then go off stage with her parent/guardian/helper and into the reserved seating for contestants. Crowning will be at the end of the pageant. We ask that age division winners stay on stage for pictures. We also ask that each contestant stay for pictures as well.

On Pageant Day, contestants and one (1) parent/guardian/helper must be at The Grounds by 3:30 p.m. CST to allow for check-in and rehearsal (without judges). Please have contestants come dressed down with hair and make-up done. We will provide a dressing room for the contestants to change after rehearsal. We will go over the rules once more and then allow the girls to practice their walk on stage. A tentative schedule of events will be available in this packet.

## **Pageant Program**

We will require a photo of the contestant for the program. It must be a head shot style, school picture, or dance company photo. If you do not send a contestant's image, we will list only the contestant's name in the program. The program will be available online only.

## **Score Sheets**

We will provide contestant score sheets upon request from Monday, October 2, 2023 to Wednesday, October 4, 2023. Please email Hillary Swatton at [hillary@greatergulfstatefair.com](mailto:hillary@greatergulfstatefair.com) to request score sheets. A contestant will only be allowed to view their own score sheets and the judge's names will remain anonymous. Score sheets will be sent out through email only and to the emails provided on Page 1 of the application.

## **Photography/Videos**

We will have a photographer on-site to take professional photos of the contestants and the age division winners. Due to this, we will not allow family members and/or guests to come up to the stage to take photos or videos at any point during the pageant. The stage will be roped off and any family member and/or guest will be removed from the pageant until its conclusion.
